

THE NORTH EAST TOUR

May 5th - 14th 2023

**Siliguri - Darjeeling - Pelling - Lachen - Gurudongmar
Gangtok - Nathu La - Zuluk - Kalimpong - Siliguri**

EXPLORE THE UNEXPLORED

Sikkim, cradled by the Eastern Himalayas, offers a chance for every adventure seeker and nature lover to find themselves while exploring its trails - will you be that explorer?

Then join us on Dominar Rides: The North East Tour, a ride which will leave no trails unexplored, no road untravelled, and no path uncharted. Experience the rugged terrains, breathtaking landscapes, vibrant cultures, and monasteries for 9 days and 10 nights. It's a ride that will take you to the top of the world and bring you back.

MEET SARATH SHENOY THE RIDE COORDINATOR.

Sarath Shenoy, the icon of motor-touring in India, needs no introduction as most of us know him through his incredible 'Roof of the World 'Odyssey - an epic ride that saw him traverse some of the most difficult stretches in the Himalayas on his Dominar 400.

With over three lakh kilometres of riding in India, Nepal, and Bhutan, Sarath offers his expertise that only roads can teach you.

His passion for photography and food will ensure that you won't miss out on the opportunity to make the most of the North-East Tour.

THE EXPLORER'S ROUTE

Day 0

5th May | Reach Siliguri | 0-KM

Arrive in Siliguri - the gateway to North-East India and get ready to embark on an unforgettable journey. Before the journey begins, the Dominars will undergo a thorough check by our experts on board, and the riders will undergo a detailed debriefing session with the ride coordinator Sarath Shenoy

Day 1

6th May | Siliguri to Pelling via Darjeeling | 142-KM

After the debriefing session, kick-start your adventure with a scenic ride from Siliguri to Pelling via Darjeeling. Explore the beautiful tea gardens and colonial architecture of Darjeeling before riding through winding mountain roads around the cosy town of Pelling.

Day 2

7th May | Pelling to Mangan via Kanchenjunga falls - Ravangla - Mangan | 170-KM

The second day will be all about the unmatched scenic views of the Greater Himalayan range and Mt. Kanchenjunga enroute the biggest waterfall in Sikkim, i.e. Kanchenjunga waterfall, and Bon Monastery, one of only two of its kind in India. Take in the breathtaking views and stop for a cup of tea at a local tea stall.

The 170-Kilometre circuit will end at the welcoming town of Mangan.

Day 3

8th May | Mangan to Lachen via Naga Falls | 80-KM

The third day will be about the curious explorer in us, with a circuit of 80 kilometres beginning at Mangar to reach Lachen via the Naga falls. Being the base to the most incredible treks in Sikkim, Lachen is lined with beautiful wooden houses that offer a cosy stay.

Day 4

9th May | Lachen to Lachung via Gurudongmar | 180-KM

The fourth day will be the longest day of our expedition, with a 180-Kilometre circuit starting at Lachen to explore the Gurudongmar lake, one of the highest lakes in the world with an altitude of 17,800 ft. A magical fact about this lake is that even at 17,800 ft., it never freezes. Also, do not forget to ask someone about the boon of Padmasambhava on your way up to Lachung.

Day 5

10th May | Lachung to Yumthang - Katao | 103-KM

The fifth day will be about exploring the flower valley of Yumthang in its peak blooming season, with 20,000 species blooming together. The day will conclude with a ride towards Katao - a paradise for adventurers.

Day 6

11th May | Lachung to Gangtok, via Mangan - Tumlong - Kabi | 118-KM

On the sixth day, we will resume our journey from Katao to reach the heart of Sikkim, i.e. Gangtok. With its historical significance and the surrounding aura of Buddhism that dates back to the 1840s, our 118-kilometre circuit will be all about uncovering the hidden secrets of Sikkim.

Day 7

12th May | Gangtok | 50-KM

The seventh day will be about residing in the heart of Sikkim and enjoying some local sightseeing endeavours. The most laid-back part of the North-East tour, Day 7 will just be a 50-kilometre-long circuit.

Day 8

13th May | Gangtok to Aritar via Nathu La - Zuluk | 135-KM

On the eighth day, we will move towards Aritar, a city popular for its enchanting natural scenery peppered with lush forests, pristine lakes, and imposing Himalayan peaks via Nathu La - one of the three open trades between China and India - and Zuluk, the Indian army base.

Day 9

14th May | Aritar to Siliguri via Pedong - Kalimpong | 112-KM

On the last day, we will start moving towards our starting point, Siliguri via Pedong and Kalimpong, cities that are known for hosting one of the oldest monasteries in the world, dating back to the 1700s. Their handcrafted artefacts make them the ideal locations to get your ride souvenirs.
