STATUS

Connect to thrill like never before, with a next-gen, fully digital instrument cluster.

The N150 comes loaded with Bluetooth and a slew of handy features with intuitive controls, that will have you riding as one with the thrill you seek.

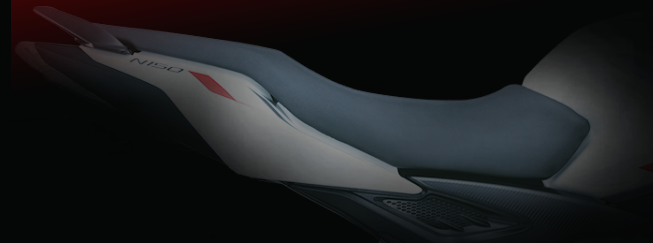

LIGHTWEIGHT CHASSIS

The N150's lightweight chassis is meticulously crafted to deliver an unparalleled sense of exhilaration with its kerb weight coming in at just 145 kgs.

LED PROJECTOR HEADLAMP

Cut through the dark with powerful projector headlamps that lead the way.

SINGLE FLAT SEAT

An easily accessible single flat seat provides extra rider and pillion comfort.

ERGONOMIC DESIGN

The sharp, aggressive, and aerodynamic design of the N150 is ergonomically enhanced to inspire an upright, confident, and comfortable riding experience.
